## REMARKS

Applicant timely responded to the Notice of Allowance and Fee(s) Due of October 13, 2005, on January 13, 2006, by paying the issue fee and publication fee totaling \$1,000.00. However, Applicant unintentionally did not submit replacement drawings as required by the Notice of Allowability. This application was abandoned for failure to timely reply to the Notice of Allowability, and a Notice of Abandonment was mailed on February 21, 2006. Due to a move to a different law firm, the undersigned attorney was not aware of the Notice of Abandonment until recently. The Notice of Abandonment was originally mailed to the undersigned attorney's previous law firm. Upon receiving knowledge of the Notice of Abandonment, the undersigned attorney promptly prepared a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b) and a complete response to the Notice of Allowability. As such, the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Applicant hereby fully responds to the Notice of Allowability of October 13, 2005. In the Notice of Allowability dated October 13, 2005, the Examiner objected to Figs. 1-2 because Figs. 1-2 were informal. In response, Applicant herein makes amendments to Figs. 1-2 to formalize Figs. 1-2. The foregoing amendments involve no new matter.

In view of the foregoing, Applicant respectfully submits that the application is in condition for issuance, and such is earnestly requested. If the Examiner believes that a telephone conference would advance the prosecution of this application, the Examiner is respectfully requested to contact the undersigned attorney. The Commissioner is authorized to charge any deficiency in fees for this submission or credit any overpayment to Deposit Account No. 03-3483.

Date: April 2, 2007

Respectfully submitted,

/henry/
